

Cudy FS1006PL 6-Port 10/100M PoE+ Switch,  
60W external, max 32W/PoE, UPLINK, 250m, 4KV  
protection

Šifra: 27202  
Kategorija proizvoda: Switch uređaji  
Proizvođač: CUDY

**Cena: 3.116,00** rsd.

(Alternative : Tenda TEF1106P-4-63W)

6-Port 10/100M PoE+ Switch  
60 watts PoE power supply, up to 30 watts per port  
4 10/100M PoE ports + 2 10/100M uplink ports  
CCTV mode support remote PoE feeding up to 250m  
LED for easy monitoring LNK/ACT/PoE status  
IEEE 802.3at / IEEE 802.3af standard compliant  
Plug&play, simple setup with no configuration needed

#### Specifications

Model FS1006PL  
Power Power supply External Power Adaptor  
Voltage Range DC48~57V  
Switch Consumption Ethernet Speed 1~5 Port : 10/100Mbps, Uplink:100Mbps  
Transmission Distanc  
1-4port 100Meters with 100Mbps  
200Meters with 10Mbps  
Uplink:100Meter with 100Mbps  
Network Switch Ethernet Standard IEEE 802.3/802.3u/802.3af/802.3at  
Switching capacity 1.2G  
Transfer Rate  
14,880pps for 10Mbps  
14,880pps for 100Mbps  
MAC Address 1K MAC address table  
Function On — The vlan and 200meters is start to work  
Link/ACT On Green The port is connecting  
Blinks — The port is receiving or transmitting data  
Off — The port is not linked successfully with the device  
POE On Orange PD is connected  
Off —

No PD is connected or power forwarding fails

Capacity 55W

Bandwidth PoE pin assignment V+(RJ45 Pin 1,2), V-(RJ45 Pin 3,6)

Environment Working Temperature 0~40?

Storage Temperature -40~70?

Humidity Non condensing 0~85%
