

Cudy FS1018PS1 16-Port 10/100M PoE+ Switch,  
1Gbit Uplink + 1 Gbit Combo SFP Port, 200W,  
steel case

Šifra: 27204

Kategorija proizvoda: Switch uređaji

Proizvođač: CUDY

**Cena: 10.583,00** rsd.

16-Port 10/100M PoE+ Switch with 1 Combo SFP Port  
200 watts PoE power supply, up to 30 watts per port  
2 10/100/1000M uplink ports +1 SFP Port  
16 10/100M PoE+ ports  
CCTV mode support remote PoE feeding up to 250m  
VLAN mode isolate each PoE Ports for security  
IEEE 802.3at / IEEE 802.3af standard compliant  
Plug&play, simple setup with no configuration needed  
Watchdog reactivates the abnormalPD by resuming POE power

Mode FS1018PS1

Power Power Supply Built-in power supply

Voltage Range AC100~240V

Consumption 190W for 16 PoE

Ethernet Speed 1~16 Port: 10/100/Mbps

G1(combo):10/100/1000Mbps & 1.25bps

G2:10/100/1000Mbps

Transmission Distance 100Meter(328ft)for RJ-45

The distance is determined by the optical module

The optical module is optional

Network

Switch Ethenet Standard IEEE 802.3 802.3u 802.3ab 802.3af/at

Switching Capacity 7.2G

Transfer Rate 14880 pps for 10Mbps

148800 pps for 100Mbps

1488000 pps for 1000Mbps

MAC Adress 4K MAC sddress table

Link/ACT On(Green) The port is connecting

Blinks The port is receiving or transmitting data.

Off The port is notl inked successfully with the device

POE On(Oranfe) PD is connected

Off No PD is connected or power forwarding fails

PoE Pin Assignmnet V+(RJ45 Pin 1, 2) - (RJ45 Pin 3,6)

Environment Working Temperature 0~40°C

Storage Temperature -40~70°C

Humidity Non Condensing 0~85%

Mechanical Dimension L\*W\*H 280\*180\*44mm

Color Gray
